

## Village Energy Efficiency Program (VEEP) Preview of Communities

July 8, 2010

It is anticipated that AEA will soon announce a Request for Applications (RFA) for the Village Energy Efficiency Program (VEEP) to identify service providers to provide services to about 21 Alaska Villages in a manner very similar to the EECBG program listed above. To help potential service providers plan as they prepare their proposals for the EECBG Service Provider RFP, a list of anticipated amounts and cities by region is provided below.

Below is the **draft** list of Communities and grant amounts, grouped by geographic region.
