You are invited to submit names of individuals you would like to send to the upcoming AEA Power Plant Operator Training classes being held on the dates listed below. Please remember in order to be considered for training, candidates must be employed as an operator at the power utility in your community.

Power Plant Operator 1 will be the first 4 week block and will earn the successful participant a certificate of attendance. In order to receive a certificate of completion the participant must complete both PPO 1 and PPO 2.

When deciding how best to schedule for your participant please keep in mind that it is still the responsibility of the community to pay all travel costs and lodging to and from Anchorage.

Statement of Understanding

REQUIRED SAFETY ITEMS

Due to safety requirements and in order to participate in the Alaska Energy Authority’s training programs at AVTEC, trainees MUST have the following items:

- cotton duck bib overalls (i.e. Carharts);
- boots with oil resistant soles (non-slip) and safety toes (i.e. steel toed); and
- safety glasses

If individuals need to purchase the above mentioned items, they will have the opportunity before they begin their classes. The approximate cost of the needed items is $310 if purchased at Brown & Hawkin’s, Urbach’s and True Value in Seward.

If individuals arrive without the needed items and with no means to purchase, they will not be allowed to participate in the training. AVTEC policy states that individuals cannot be allowed on training sites without the above mentioned items since they are safety requirements.

By signing this Statement of Understanding, I certify that I will bring these items with me to training or will purchase them before classes begin.
