

SUPPLEMENTAL NOTICE OF PROPOSED CHANGES IN THE
REGULATIONS OF ALASKA ENERGY AUTHORITY

The Alaska Energy Authority proposes to adopt regulation changes in Title 3, Chapter 107 of the Alaska Administrative Code, relating to a new emerging energy technology grant program of the authority, including the following:

This is a **SUPPLEMENTAL NOTICE** adding to the **NOTICE OF PROPOSED CHANGES** that was issued on August 11, 2011, hereby incorporated by reference, concerning these proposed regulation changes. This **SUPPLEMENTAL NOTICE** is being issued because the Alaska Energy Authority inadvertently did not include the appropriate statutory authority to adopt these regulations changes in the **NOTICE OF PROPOSED CHANGES** and is extending the written public comment period for the proposed regulation changes to allow persons more time to review the proposed regulation changes and submit written comments in light of this new information. Any person who has submitted written and oral comments, including written comments received after the original comment deadline, under the **NOTICE OF PROPOSED CHANGES** regarding the emerging energy technology grant program will not need to resubmit comments under this notice as those comments are part of the record and will be considered by the authority before its adoption of regulation changes.

You may comment on the proposed regulations including the potential costs to private persons of complying with the proposed changes, by submitting written comments to Butch White, AEA Grants Administrator, at 813 West Northern Lights Blvd., Anchorage AK 99503 or send by email to bwhite@aidea.org. The comments must be received no later than 5 p.m. on November 4, 2011.

If you are a person with a disability who needs a special accommodation in order to participate in this process, please contact Butch White at 907-771-3052 no later than October 25, 2011 to ensure that any necessary accommodations can be provided.

For a copy of the proposed regulation changes, contact Butch White at 907-771-3052 or by email at bwhite@aidea.org or go to <http://www.akenergyauthority.org/EETFundGrantProgram.html>.

After the public comment period ends, the Alaska Energy Authority will either adopt these or other provisions dealing with the same subject, without further notice, or decide to take no action on them. The language of the final regulations may be different from that of the proposed regulations. **YOU SHOULD COMMENT DURING THE TIME ALLOWED IF YOUR INTERESTS COULD BE AFFECTED.**

Statutory Authority: AS 44.83.080

Statutes Being Implemented, Interpreted, or Made Specific: AS 42.45.375

Fiscal Information: The proposed regulation changes are not expected to require an increased appropriation.

DATE: 10/5/11
