7. NEW BUSINESS

7A. Resolution No. 2005-01, A Resolution of the Alaska Energy Authority Relating to the Adoption of the Amendments to the Authority's Regulations

Mr. Miller stated that the amended regulations implement changes with regard to portions of the administrative provisions, loan programs, grant programs and financial and technical assistance for energy systems, facilities, and equipment. He briefly reviewed the amended regulations for the Board. He referred the Board to their packet for detailed information.

He stated staff received three written comments on the proposed regulations. The Legislative Affairs Agency included technical suggestions with their comments, which staff has incorporated into the amended regulations. The other two written comments were from citizens and were of a general nature speaking in favor of the Power Cost Equalization Program.

Staff recommended approval of Resolution No. 2005-01.

MOTION: Commissioner Blatchford moved to approve Resolution No. 2005-01. Seconded by Commissioner Barton. There being no discussion, the question was called. A roll call vote was taken and the motion passed with Messrs. Boutin, Barry, Barton, Blatchford, voting yea.
