

ALASKA ENERGY AUTHORITY

POWERHOUSE/CIRCUIT RIDER TECHNICIAN

Want to make a difference? Interested in joining a team of professionals responsible for providing energy solutions to meet the unique needs and opportunities of Alaska's communities? Then check out the details for our **Powerhouse/Circuit Rider Technician** position with Alaska Energy Authority.

Our Powerhouse/Circuit Rider Technician position is responsible for providing technical assistance and training in rural Alaska on diesel generation systems, electrical distribution, alternative energy systems, and fuel storage facilities. This position requires frequent traveling to communities throughout the State.

We're looking for someone who has a high school diploma or equivalent, and has at least three years of applicable apprenticeship or mechanical/electrical and control education. State of Alaska Certificate of Fitness as a Journeyman with practical and theoretical experience with rural Alaska energy infrastructure is preferred. Industrial experience on electrical systems, controls and networking used in rural/remote Alaska power generation and distribution may be substituted for the educational requirements.

For more information, or to apply online, visit **www.akenergyauthority.org**. Send application and/or resume to Human Resources, AIDEA, 813 W. Northern Lights Blvd., Anchorage, AK 99503, by fax to (907) 771-3946.

AEA is an EEO/ADA employer. Individuals requiring accommodations should call 1-800-587-0430 or (907) 465-3412 (TTY).
