

AWED TG 2005 Selected Projects

Community	Applicant(s)	Facility(s)	Annual Fuel Consumption
Venetie	Native Village of Venetie Tribal Government	Tribal and Council Offices Health Clinic Airport facilities	Facilities non-existent Facility non-existent Oil: 1,700 gallons
Delta Junction	Delta-Greely School District	Delta Junction School	Oil: 102,000 gallons
Craig	Craig Community Association	CCA Community Center	Oil: 6,600 gallons
Thorne Bay	City of Thorne Bay	Various City Buildings/ Facilities	Oil: 6,850 gallons
Thorne Bay	Southeast Island School District	Thorne Bay School	Oil: 11,500 gallons

AWED TG 2006 Selected Projects

Community	Applicant(s)	Facility(s)	Annual Fuel Consumption
Aniak	Kuskokwim Native Association (KNA)	KNA Offices, Community Hall, Training Center	Oil -- 24,000 gallons
Chistochina	Mt. Sanford Tribal Consortium and Chees'na Tribal Council	Multi-purpose community center	Oil -- 14,000 gallons
Copper Center	Copper River School District	Copper Center School	Oil -- 6,000 gallons
Dot Lake	Alaska Gateway School District	Dot Lake School	Oil -- 5,000 gallons
Elim	City of Elim	Old school and city offices, New school and teacher housing, Water plant, Elim Native Corp offices	Oil -- 67,000 gallons
Fairbanks	Northern Alaska Environmental Council	NAEC Office	Oil -- 3,500 gallons
Gulkana	Gulkana Village Council	Health clinic, Offices, Community Hall, Shop, Teen Center, New Garage	Oil -- 15,500 gallons
Haines	Haines Borough	Haines Schools	Oil -- 60,000 gallons
Kenny Lake	Copper River School District	Kenny Lake School	Oil -- 20,000 gallons
Klawock	Klawock City School District	Klawock School	Oil -- 14,000 gallons
Kokhanok	Kokhanok Village Council and Bristol Bay Native Assn.	KVC office & hall, Kokhanok School and teacher housing	Oil -- 8,200 gallons
Mentasta Lake	Alaska Gateway School District	Mentasta Lake School	Oil -- 15,000 gallons
Northway	Alaska Gateway School District	Northway School	Oil -- 25,000 gallons
Tanacross	Alaska Gateway School District	Tanacross School	Oil -- 6,000 gallons
Tanana	City of Tanana	City offices & facilities Tanana School Water plant & washeteria	Oil -- 55,000 gallons
Tetlin	Alaska Gateway School District	Tetlin School	Oil -- 15,000 gallons
Tok	Alaska Gateway School District	AGSD Administrative Office, Tok School and Multi-purpose Facility	Oil -- 53,000 gallons

AWED TG 2007 Selected Projects

Community	Applicant(s)	Facility(s)	Annual Fuel Consumption
Coffman Cove	City of Coffman Cove	Multi-purpose municipal complex	Oil – 6,200 gallons
Dot Lake	Dot Lake Village Council	Community hall/ clinic, Village Council Office, Equipment garage	Oil – 4,500 gallons
Fort Yukon	Yukon Flats School District	Ft. Yukon School Ft. Yukon Gymnasium Ft. Yukon Vocational Education Center	Oil: 17,000 gallons 13,000 gallons 16,000 gallons
	University of Alaska Fairbanks	Yukon Flats Center, Interior-Aleutian Campus	Oil – 8,500 gallons
	Council of Athabascan Tribal Governments	CATG Regional Health Care Facility	Oil – 20,000 gallons
Kasilof	Ionia, Inc	Community Hall and domestic hot water	Oil – 1,500 gallons Propane – 8,200 gal.
Ketchikan	Tongass National Forest	Visitor/ Discovery Center	Oil – 20,000 gallons
Klukwan	Chilkat Indian Village	Cultural Heritage Center & Kitchen, Bald Eagle Observatory	Oil – 3,000 gallons
Nenana	Nenana Native Council	Tribal Hall, Health Clinic, Council Offices, Little George Hall	Oil – 8,000 gallons
McGrath	City of McGrath	Captain Snow Community Center, water plant and shop	Oil – 23,500 gallons
	Iditarod Area School District	McGrath School and IASD Office Bldg.	Oil – 36,500 gallons
Mentasta Lake	Mentasta Traditional Council	Multiple community buildings (offices, clinic, day care, etc.)	Oil – 6,000 gallons
	Copper River Basin Regional Housing Authority	Shallow Water Apartments	Oil – 15,000 gallons
Northway	Northway Village Council	Community hall, Council offices, garage/ shop, clinic, water plant, fire hall	Oil – 16,200 gallons Propane – 1,350 gal.
Pedro Bay	Pedro Bay Village Council	Tribal Council Building and health clinic	Oil – 2,400 gallons
Tanacross	Tanacross Village Council	Water plant Training Center Multi-purpose Center	Oil: 8,000 gallons 10,000 gallons 14,000 gallons
Tok	AK Div. of Forestry	DoF Offices, garage, warehouse	Oil – 2,900 gallons
	Tok Volunteer Fire Dept.	Tok Fire Hall	Oil – 4,125 gallons
	AK Dept. of Transportation	AKDOT Tok Area Facility	Oil – 30,000 gallons
Tyonek	Native Village of Tyonek	Tyonek Tribal Center and adjacent buildings	Oil – 7,050 gallons

AWEDTG 2008 Selected Projects

Community	Applicant(s)	Facility(s)	Annual Fuel Consumption
Beaver	Beaver Village Council	BVC multi-purpose bldg., Water plant & washeteria	Oil – 14,600 gallons
Coffman Cove	Southeast Island School District	Coffman Cove School	Oil – 10,000 gallons
Galena	City of Galena	Abandoned military base	Unknown
Huslia	Huslia Tribal Council and City of Huslia	“Downtown” building cluster Jimmy Huntington School Water plant & health clinic	Oil: 9,750 gallons 17,000 gallons 20,000 gallons
Sitka	City & Borough of Sitka	Hames Physical Education Center	Oil: 51,000 gallons
Stevens Village	Stevens Village IRA Council	Offices, health clinic, water plant, washeteria	Oil – 8,300 gallons

Additional 2008 Projects (non-AWEDTG)

Community	Applicant(s)	Facility(s)	Annual Fuel Consumption
Kake	City of Kake	Community Hall	Oil – 10,250 gallons
	Kake School District	Kake School	Oil – 20,000 gallons
Hoonah	Hoonah School District	Hoonah School, Pool & Gymnasium	Oil – 50,000 gallons
Sitka	Sitka Economic Development Assn.	Sawmill Cove Industrial Park – Administration Bldg.	Oil – 9,000 gallons

Project Status – All Projects, All Years

Community	Facility(s)	Field Visit	Field Report	Final Report	Project Feasibility
Aniak	KNA Offices Community Hall Training Center	√	√	X	Not determined; lack of interest by applicant
Beaver	BVC multi-purpose bldg., water plant & washeteria	√	√	√	Marginally viable
Chistochina	Multi-purpose community center	√	√	√	Feasible; construction going forward
Coffman Cove	Multi-purpose municipal complex	√	√	√	Marginally feasible
	Coffman Cove School	√	√	√	Feasible
Copper Center	Copper Center School	√	√	√	Marginal
Craig	CCA Community Center	√		√	Feasible
Delta Junction	Delta Junction School	√		√	Feasible
Dot Lake	Dot Lake School	√	√	√	Marginal
	Community hall/ clinic, Village Council Office, Equipment garage	√	√	X	Not determined; lack of interest by applicant

Community	Facility(s)	Field Visit	Field Report	Final Report	Project Feasibility
Elim	Old school and city offices	X	X	√	Feasible
	New school and teacher housing	X	X	√	Feasible
	Elim Water plant	X	X	√	Feasible
	Elim Native Corp offices	X	X	√	Marginal
Fairbanks	NAEC Office	√	√	X	Feasible
Fort Yukon	Ft. Yukon School	√	√	√	Feasible – cordwood Unlikely - chips
	Ft. Yukon Gymnasium	√	√	√	
	Ft. Yukon Voc-Ed Center	√	√	√	Feasible – cordwood Not feasible - chips
	UAF Interior-Aleutian Campus	√	√	√	Feasible – cordwood Not feasible - chips
	CATG Regional Health Care Facility	√	√	√	Feasible – cordwood Not feasible - chips
Galena	Abandoned military base	√	X	X	City needs to better define proposed project/ scope
Gulkana	Health clinic, Offices, Community Hall, Shop, Teen Center, New Bus Garage	√	√	√	Small district heating system feasible; construction going forward; ‘Jumpstart’ grant recipient
Haines	Haines Schools (3)	√	√	√	Feasible; Project scope being refined, system being designed. ‘Jumpstart’ grant recipient
Hoonah	Hoonah School, Pool & Gymnasium	√	√	√	Strong financial metrics
Huslia	Downtown bldg cluster	√	√	√	Marginally feasible
	Jimmy Huntington School	√	√	√	Marginally feasible
	Water plant & health clinic	√	√	√	Feasible
Kake	Community Hall	√	√	√	Feasible
	Kake School	√	√	√	Feasible
Kasilof	Ionia Community Hall and domestic hot water	√	√	X	Feasible. Project built. ‘Jumpstart’ grant recipient
Kenny Lake	Kenny Lake School	√	√	√	Feasible; Project scope being refined, system being designed
Ketchikan	Visitor/ Discovery Center ^a	√	√	√	Marginal feasibility
Klawock	Klawock School	√	√	√	Feasible – cordwood Not feasible - chips
Klukwan	Cultural Heritage Center & Kitchen, Bald Eagle Observatory	X	X	X	Facility does not exist; just a proposal. Provided technical assistance.
Kokhanok	KVC office & hall	√	√	√	Not feasible – too small
	Kokhanok School and teacher housing	√	√	√	Marginally feasible

Community	Facility(s)	Field Visit	Field Report	Final Report	Project Feasibility
McGrath	Captain Snow Community Center, water plant and shop	√	√	√	Feasible
	McGrath School	√	√	√	Feasible
	School District Office Bldg	√	√	√	Feasible
Mentasta Lake	Mentasta Lake School	√	√	√	Feasible
	Multiple community buildings	√	√	√	Marginally feasible
	Shallow Water Apartments	√	√	√	Feasible
Nenana	Tribal Hall, Health Clinic, Council Offices, Little George Hall	√	√	√	Marginally feasible
Northway	Northway School	√	√	√	Feasible – cordwood Not feasible – chips
	Community hall and Council offices	√	√	√	Marginally feasible
	Garage/ shop, clinic, water plant	√	√	√	Marginally feasible
	Fire hall	√	√	√	Marginally feasible
Pedro Bay	Tribal Council Building and health clinic	√	√	X	Not determined; lack of interest by applicant
Sitka	Hames PE Center	√	√	√	Feasible
	Sawmill Cove Industrial Park – Admin. Bldg.	√	√	√	Feasible
Stevens Village	Offices, health clinic, water plant, washeteria	√	√	√	Marginally feasible
Tanacross	Tanacross School	√	√	√	Marginal
	Water plant	√	√	√	Feasible - cordwood
	Training Center	√	√	√	Feasible - cordwood
	Multi-purpose Community Center	√	√	√	Feasible - cordwood
Tanana	City offices & facilities	√	√	√	Marginally feasible
	Tanana School	√	√	√	Feasible – cordwood Not feasible - chips
	Water plant & washeteria	√	√	√	Feasible. Project built. 'Jumpstart' grant recipient
Tetlin	Tetlin School	√	√	√	Viable
Thorne Bay	City Buildings/ Facilities	√		√	Larger facilities feasible Smaller facilities not feas.
Thorne Bay	Southeast Island School District	√		√	Feasible – cordwood Not feasible - chips
Tok	AGSD Administrative Office	√	√	√	Marginal feasibility
	Tok School and Multi-purpose Facility	√	√	√	Feasible
	DoF Offices, garage, warehouse	√	√	√	Feasible – cordwood
	Tok Fire Hall	√	√	√	Feasible – cordwood
	AKDOT Tok Area Facility	√	√	√	Feasible – cordwood Feasible - chips

Community	Facility(s)	Field Visit	Field Report	Final Report	Project Feasibility
Tyonek	Tyonek Tribal Center and adjacent buildings	√	√	√	Feasible
Venetie	Airport Maintenance Bldg	√		√	Marginal feasibility
