Funding and Match Questions

Are there any restrictions on the amounts of matching funds that originate from State or Federal sources?

No restriction as long as the other agency does not have limiting language in its award documents.

Are right-of-way negotiation costs eligible?

Site control is required for projects – see page 13 of the sample grant agreement. If the grant Project involves the occupancy and use of real property, the Grantee assures that it has the legal right to occupy and use such real property for the purposes of the grant, and further that there is legal access to such property. The Grantee is responsible for securing the real property interests necessary for the construction and operation of the Project, through ownership, leasehold, easement, or otherwise, and for providing evidence satisfactory to the Authority that it has secured these real property interests.
